

# Friendly Faces

## Visiting program for older adults

To reduce social isolation and promote quality of life

A trained volunteer provides older clients with a weekly visit, individualised to their own interests and lifestyle. The volunteer and client may walk, talk, read together, play cards, listen to music, and laugh, creating an enjoyable and socially inclusive environment.

Friendly Faces provides services to older adults living in the community, supported accommodation and nursing home facilities throughout the Southern Metropolitan Region.

If you would like to register your interest, make a referral, or request further information, please contact Helena or Corrine on 9794 8677 at WHISE  
15 Scott Street, Dandenong
